48 NMB No. 10
CASE NO. R-7559
CERTIFICATION
January 11, 2021

The services of the National Mediation Board (Board) were invoked by 21 Air Pilots Association (TAPA) on November 30, 2020 to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as “Pilots,” employees of 21 Air, LLC (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Josie G.M. Bautista to investigate.

FINDINGS

The investigation disclosed that a majority of eligible employees in the craft or class had signed authorization cards which authorize TAPA to represent them for the purposes of the RLA.

The investigation further disclosed that the Carrier did not object to representation of the craft or class by TAPA.

The following is the result of the Check of Validity of the employees' signatures as reported by Investigator Bautista.

<u>Number of Employees Signing Authorizations</u>	
Eligible Employees	20
Valid Authorizations	15

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the 21 Air Pilots Association has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Pilots, employees of 21 Air, LLC, its successors and assigns.

By direction of the NATIONAL MEDIATION BOARD.
